

Women Business Leaders MADE Roundtable Application

If you're looking for a group that gives you feedback on some of the tough business issues you are facing and can speak from their own personal experience in similar business situations, then the Women Business Leaders MADE Roundtable Program is for you.

The Women Leaders MADE Roundtable program provides structured discussion groups of 10-15 business and management professionals. The same group of participants gather each month in a confidential setting to discuss issues affecting their businesses.

First Name: _____ Last Name: _____

Company: _____ Title: _____
