COVID-19 UPDATES

[Vaccine.coronavirus.ohio.gov](https://vaccine.coronavirus.ohio.gov) is an online resource for Ohioans to learn which providers received a COVID-19 vaccine allotment and how to contact them.

NEW Vaccination Phases: Phase 1C and Phase 2: Phase 1C ([graphic](#)) includes Ohioans with Type 1 Diabetes, pregnant women, bone marrow transplant recipients, and ALS (Lou Gehrig's Disease), and Ohioans who work in childcare services, funeral services, and law enforcement and corrections officers. Phase 2 ([graphic](#)) includes Ohioans aged 60 years and older.

Statewide Address: Governor DeWine announced that when Ohio reaches 50 cases per 100,000 people for two weeks, all health orders will be lifted. Cases per 100,000 people for a two-week period is a measurement that has been utilized since early in the pandemic.

Mass Vaccination Sites: There will be 15 long-term mass vaccination clinics throughout Ohio to significantly expand regional access to COVID-19 vaccines. Visit governor.ohio.gov for more information.

Equity: Stay up to date on Ohio's work to achieve equity in its pandemic response. [A new website](#) offers resources to help communities educate underserved communities about the COVID-19 vaccine.
